D. Service Information

- 1) Describe how the agency would provide the proposed new or extended service to the subject territory. Please identify any necessary infrastructure or facility improvements and associated funding requirements necessary to provide service to the subject territory.

- 2) If the proposed new or extended service involves water or sewer, identify the anticipated demand in terms of use (i.e., gallons) associated with serving the subject territory. For extended service, please estimate the difference in comparison to existing demand.

- 3) Does the agency have sufficient capacities to provide the proposed new or extended service to the subject territory without adversely effecting existing service levels?

- 4) What services, if any, are currently provided to the subject territory?

E. Additional Information

- 1) Identify the subject territory's land use designation and zoning standard along with the minimum parcel density requirements.

- 2) Are there any proposed or approved, but not yet built, development projects involving the subject territory?

Yes No

If yes, describe the proposed projects or the approved permits/land use entitlements.

- 3) The Commission's action regarding this request by the agency to provide new or extended services outside its jurisdictional boundary is subject to the requirements of the California Environmental Quality Act (CEQA). Has the agency conducted any CEQA reviews for any projects associated with this application?

Yes No

If yes, please provide copies of the environmental documentation, including the Notice of Exemption or Notice of Determination as well as proof of payment of applicable California Department of Fish & Game fees.

- 4) Is the subject territory located within the agency's sphere of influence?

Yes No

If no, please identify whether there is an existing or future threat to public health and safety or to the residents in support of the application.
